E-RATE PRODUCTIVITY CENTER (EPC)

The E-rate Productivity Center (EPC) is the account and application management portal for the Schools and Libraries (E-rate) Program. Applicants, consultants, and service providers participating in the E-rate Program will use this tool to manage program processes and to submit questions.

[Log In](#)

This summer, applicants will be able to file the FCC Form 470 in EPC.

Over the course of the next year, the remaining E-rate Program forms for applicants and service providers will be available in EPC. EPC will allow users to get information about the status of their applications, reminders about important dates, and correspondence from Program Integrity Assurance (PIA) and other review teams. Letters and other correspondence will be stored in EPC so that users can easily access them at any time.

NEWS BRIEF

SPECIAL EDITION

October 20, 2015

First EPC and FCC Form 470 Release Notes Issued

USAC is currently making improvements and enhancements to the E-rate Productivity Center (EPC), the account and application management portal used by E-rate applicants, consultants, and service providers to manage program processes (such as submitting forms) and to submit questions. As part of this process, USAC is making available "release notes," which summarize the changes that have occurred and provide additional information and/or guidance.

USAC has now implemented its first set of improvements and enhancements to EPC - Release Notes R1.1.2.1 - which appears below.

Release Notes R1.1.2.1

EPC

- Applicants with either Full or Partial Rights to the FCC Form 470 or 471 can now update their organization's profile, including updating the address, entity attributes, and the student counts for schools and school districts. Consultants who have been given these same rights by their clients can also make these changes.
- The applicant's Billed Entity will always appear first in the list of organizations on their Landing Page. For example, the library system will appear first in the list of entities, followed by the library outlets and/or non-instructional facilities (NIFs) associated with that library system.
- Applicants who used a single Billed Entity Number (BEN) to identify the school district or library system as well as the district office or main branch, and whose BEN was imported into EPC as a NIF, can now request to have that number changed back to their BEN. A new entity number will be assigned to the NIF. USAC's Client Service Bureau can make those changes on your behalf.
- Libraries that were imported as a library outlet, but that are actually library systems, can be switched in the system (and vice versa). Please contact USAC's Client Service Bureau if your library system is not properly associated with its member libraries.
- State E-rate Coordinators will now have access into their constituents profiles. For example, the school state E-rate coordinators have been granted view-only access into the profiles of the public schools in their state. They will not be able to file forms on behalf of the public schools unless the schools specifically provide those rights to their state school coordinator. Similarly, state library E-rate coordinators will have view-only access into the state's public libraries EPC accounts. State Coordinators do not have any access into non-public school accounts.
- Email domains with four or more characters, such as .education or .library, are now accepted.

Please agree to the following Terms of Service before gaining access to EPC.

Terms of Service:

Last Updated April 13, 2015

EPC ACCESS AGREEMENT

This EPC Access Agreement ("Agreement") applies to the E-rate Productivity Center and all E-rate Productivity Center-related systems and networks (collectively "EPC") provided by the Universal Service Administrative Company ("USAC"). Applan Corporation's ("Applan") business process management software suite and associated documentation (collectively the "Software") is a part of EPC. EPC was created in support of the federal Universal Service Schools and Libraries support mechanism (also known as the "E-rate Program") that helps entities such as eligible schools and libraries obtain telecommunications at affordable rates.

USAC allows four types of subscribers to access and use EPC, each of which is a "Subscriber" for purposes of this Agreement: (1) applicants ("Applicants"), (2) service providers ("Service Providers"), (3) consultants ("Consultants"), and (4) United States government agencies ("Agency" or "Agencies"). This Agreement defines the relationships between both USAC and (i) the Subscriber, and (ii) each person who accesses EPC as authorized by and on behalf of the Subscriber. Both Subscriber and each person who accesses EPC as authorized by and on behalf of the Subscriber are referred to as "you" (and variations such as "your") in this Agreement.

BY ACCESSING OR USING OR REGISTERING FOR ACCESS TO EPC AS A REPRESENTATIVE OR EMPLOYEE OF A SUBSCRIBER, YOU CONFIRM THAT (1) YOU ARE AT LEAST 18 YEARS OLD, (2) YOU WILL BE ACCESSING AND USING EPC ONLY WITHIN THE UNITED STATES, INCLUDING ITS VARIOUS STATES AND TERRITORIES (COLLECTIVELY REFERRED TO AS "UNITED STATES"); (3) YOU HAVE READ THIS AGREEMENT; AND (4) BOTH YOU AND THE COMPANY, ORGANIZATION OR ENTITY ON WHOSE BEHALF YOU ARE ACCEPTING THIS AGREEMENT AND/OR ACCESSING OR USING EPC, ACCEPT THIS AGREEMENT. IF YOU CANNOT CONFIRM EACH OF (1) THROUGH (4) ABOVE, THEN PLEASE CLICK "DECLINE" BELOW, AND YOU MUST NOT ACCEPT THIS AGREEMENT AND YOU MAY NOT ACCESS OR USE EPC.

USAC may amend this Agreement at any time, with or without notice to you, by posting revised terms at [include link]. You can determine when this Agreement was last revised by referring to the "last updated" legend at the top of this Agreement. Your continued access to or use of EPC after USAC has posted revised terms signifies your acceptance of such revised terms. No other amendment to or modification of this Agreement will be binding unless in writing and signed by USAC's duly authorized representative or posted to the site by USAC's duly authorized representative.

LIABLE FOR ANY DAMAGES OF ANY KIND RESULTING FROM YOUR USE OF THE SOFTWARE, INCLUDING WITHOUT LIMITATION, DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL, AND SPECIAL DAMAGES. THE THIRD PARTY LICENSORS ARE INTENDED THIRD PARTY BENEFICIARIES OF THE PROVISIONS OF THIS AGREEMENT RELATING TO THE THIRD PARTY LICENSOR'S SOFTWARE INCORPORATED INTO THE SOFTWARE.

5. Limitations of Liability. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, IN NO EVENT SHALL USAC OR ITS SUPPLIERS OR LICENSORS BE LIABLE FOR LOSS OR DAMAGE OF LOST PROFITS OR REVENUES OR SIMILAR ECONOMIC LOSS, OR FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL, COST OF SUBSTITUTE GOODS OR SERVICES, INDIRECT OR PUNITIVE DAMAGES, WHETHER IN CONTRACT, TORT OR OTHERWISE, ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OR NON-PERFORMANCE OF THIS AGREEMENT OR EPC, EVEN IF USAC HAS BEEN ADVISED OF SUCH CLAIM. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, USAC'S TOTAL AGGREGATE LIABILITY FOR ANY CLAIMS ARISING UNDER THIS AGREEMENT OR OTHERWISE ARISING FROM THE TRANSACTIONS CONTEMPLATED HEREIN REGARDLESS OF THE FORM OF ACTION (INCLUDING, BUT NOT LIMITED TO, ACTIONS FOR BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY, RESCISSION AND BREACH OF WARRANTY) SHALL NOT EXCEED \$100.

6. Confidentiality of the Software.

(a) **General.** The Software contains confidential and proprietary information of USAC and its licensors. You agree not to use the Software except as expressly set forth herein and to maintain reasonable procedures to prohibit the unauthorized disclosure, duplication, misuse or removal of the Software. You agree not to disclose the Software to any third party. Without limiting the foregoing, you agree to use the same procedures and degree of care to avoid unauthorized disclosure or use of the Software as you use to protect your own similar information, but in no event using less than a reasonable degree of care.

(b) **Exceptions.** The foregoing restrictions will not apply to information that (i) is known to you at the time of communication from USAC or its licensors, (ii) has become publicly known through no wrongful act of you, (iii) has been rightfully received by you from a third party authorized to make such communication without restriction, (iv) has been independently developed by you as evidenced by your written records, or (v) is required to be disclosed pursuant to a subpoena or other validly issued administrative or judicial process, provided that you must give USAC sufficient notice of such disclosure to allow USAC and its licensors a reasonable opportunity to object to and take necessary legal action to prevent such disclosure. Notice must be provided to USAC's Client Service Bureau in writing to netsec@usac.org.

6. Miscellaneous. Each party is an independent contractor and nothing herein will be deemed to constitute the parties as partners, agents or joint ventures. Any disputes or claims that you may bring against USAC under or related to this Agreement must be brought consistent with the requirements of 47 C.F.R Part 54, Subpart I. This Agreement (including without limitation Banners and any other USAC documentation referenced herein) embodies the entire agreement between the parties and supersedes all previous and contemporaneous agreements, understandings and arrangements, with respect to the subject matter hereof.

Please print this Agreement for your records.

Please complete the certifications below.

Applicant Certifications

☒ I certify that the applicant includes libraries or library consortia eligible for assistance from a State library administrative agency under the Library Services and Technology Act of 1956 that do not operate as for-profit businesses and whose budgets are completely separate from any schools (including, but not limited to elementary and secondary schools, colleges, and universities).

Other Certifications

☒ I certify that this FCC Form 470 and any applicable RFP will be available for review by potential bidders for at least 28 days before considering all bids received and selecting a service provider. I certify that all bids submitted will be carefully considered and the bid selected will be for the most cost-effective service or equipment offering, with price being the primary factor, and will be the most cost-effective means of meeting educational needs and technology goals.

☒ I certify that I have reviewed all applicable FCC, state, and local procurement/competitive bidding requirements and that I have complied with them. I acknowledge that persons willfully making false statements on this form may be punished by fine or forfeiture, under the Communications Act, 47 U.S.C. §§ 502, 503(a), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. § 1001.

☒ I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the schools and libraries support mechanism are subject to suspension and debarment from the program.

☒ I certify that I will retain required documents for a period of at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification) after the later of the last day of the applicable funding year or the service delivery deadline for the associated funding request. I certify that I will retain all documents necessary to demonstrate compliance with the statute and Commission rules regarding the form for receipt of, and delivery of services receiving schools and libraries discounts. I acknowledge that I may be audited pursuant to participation in the schools and libraries program. I certify that the services the applicant purchases at discounts provided by 47 U.S.C. § 254 will be used primarily for educational purposes, see 47 C.F.R. § 54.100, and will not be sold, resold or transferred in consideration for money or any other thing of value, except as permitted by the Commission's rules at 47 C.F.R. § 54.013. Additionally, I certify that the entity or entities listed on this form have not received anything of value or a promise of anything of value, other than services and equipment sought by means of this form, from the service provider or any representative or agent thereof or any consultant in connection with this request for services.

☒ I acknowledge that support under this support mechanism is conditional upon the school(s) and/or library(ies) represent securing access, separately or through this program, to all of the resources, including computers, training, software, internet connections, maintenance, and electrical capacity necessary to use the services purchased effectively. I recognize that some of the aforementioned resources are not eligible for support. I certify that I have considered what financial resources should be available to cover these costs. I certify that I am authorized to procure eligible services for the eligible entity(ies). I certify that I am authorized to submit this request on behalf of the eligible entity(ies) listed on this form, that I have examined this request, and to the best of my knowledge, information, and belief, all statements of fact contained herein are true.

NOTICE

In accordance with Section 54.503 of the Federal Communications Commission's rules, certain schools and libraries ordering services that are eligible for and seeking universal service discounts must file this Declaration of Services Requested and Certification Form (FCC Form 470) with the Universal Service Administrator, 47 C.F.R. § 54.503(c). The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. § 254. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. § 54.503. Schools and libraries must file this form themselves or as part of a consultant.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the information we request in this form. We will use the information you provide to determine whether approving this application is in the public interest. If we believe there may be a violation or a potential violation of any applicable statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC, or (b) any employee of the FCC, or (c) the United States Government is a party of a proceeding before the body or has an interest in the proceeding. In addition, information provided in or submitted with this form or in response to subsequent inquiries may also be subject to disclosure consistent with the Communications Act or 1934, FCC regulations, the Freedom of Information Act, U.S.C. § 552, or other applicable law.

If you owe a past due debt to the federal government, the information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other Federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide the information to these agencies through the matching of computer records when authorized.

If you do not provide the information we request on the form, the FCC may delay processing of your application or may return your form without action.

The foregoing notice is required by the Paperwork Reduction Act of 1995, Pub. L. No. 104-13, 44 U.S.C. § 3501, et seq.

Public reporting burden for this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, reviewing the collection of information, sending comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, DC 20542.
